

# SCREAM QUEEN

*"Sequins Lashes Diamonds Pearls,  
Chookas Lavish Darling Girls"*

Continually inventive and evolving, spectacular and lavish.

**Drag Darling, Cross Dressing!**

Performance Art, Good-Time Fun, or Just A Job?

Filmed in the streets and clubs of Darlinghurst Sydney

"Scream Queen" captures some of the great DRAG performers

of the last 20 years. Beneath the make-up and behind the

Costumes—the SHOWBAGS, the SCARY FAIRIES,

GLAMOURWORLD, DIVA, SLEAZE BALL and MARDI GRAS...

An historical social document from Sydney's Gay and Lesbian

community.

The Shows, the Music and the Fashion, make this a film of great

Celebration and Individual Expression.
